

## Summer Reading Lists for Students Entering Seventh Grade

Dear Parents and Seventh Grade Students,

This summer students will be required to read *The Gypsy Game*, and will have the option of reading more novels from a selection of diverse literature. *The Gypsy Game* by Zilpha Keaty Snyder is the sequel to the novel we read earlier this year, *The Egypt Game*.

For *The Gypsy Game* your assignment is to choose one character and describe how he/she has changed throughout the two novels. Please provide evidence from both *The Egypt Game* and *The Gypsy Game*. If you would like to refresh your memory about *The Egypt Game*, the PDF of the book is still on our Google Classroom page. When completed, the assignment should be about one page. You can bring your work with you when you come back in the fall, or you can share it with me electronically at [john@frenchschoolphila.org](mailto:john@frenchschoolphila.org)

I have personally combed through young adult literature to find books that I think represent the diverse cultures and students at The French International School. I encourage the children to flip through the list of books attached and read the summaries to select some that look fun for them to read this summer.
