

7th Grade Summer Reading!

Dear Students & Parents,

This summer you will read *The Gypsy Game* by Zilpha Keatley Snyder, which is the sequel to the novel we read earlier this year, *The Egypt Game*.

After reading *The Gypsy Game* your assignment is to choose one character and describe how he/she has changed throughout the two novels. Please provide evidence from both *The Egypt Game* and *The Gypsy Game*. If you would like to refresh your memory of *The Egypt Game*, the PDF of the book is still on our Google Classroom page. When completed, the written assignment should be about one page; bring your work with you on the first day of school in September.

Additional Reading

Ideally, you are reading continuously throughout the summer. [Here](#) you can access book lists from past years' Reading Olympics events which represent a diverse range of exciting literature. Use this list to help you choose books of interest to read over the summer (in addition to *The Gypsy Game*).

Have fun!
