

DYLAN HARMON (2015)

1 GRADUATING CLASS/CURRENT POSITION AND LOCATION

EFIP Class of 2015/ Now Temple University Class of 2023

2 WHAT DID YOU ENJOY MOST ABOUT YOUR TIME AT EFIP AND WHY?

I loved the tight knit environment that EFIP provides. The diversity in the school definitely teaches students to have an open mind and to only judge someone based off their character.

3 PLEASE DESCRIBE YOUR CURRENT STUDIES/WORK.

Majoring in Sports Management at Temple University

4 HOW DO YOU THINK EFIP PREPARED YOU FOR HIGH SCHOOL AND BEYOND?

My English teachers definitely started preparing us for high school early.

5 WHAT IS YOUR BEST MEMORY OF YOUR STUDENT LIFE AT EFIP?

Walking down the hallway and knowing every single person's name including the teachers, administration, cleaning staff, and all the students

6 WOULD YOU LIKE TO ADD SOMETHING?

EFIP taught me to have a skill that makes me stand out from a lot of people on an application. Bilingualism is so important especially today with so many different people living in the United States
