

ALIX VADOT (2008)

1 GRADUATING CLASS/CURRENT POSITION AND LOCATION

2008/Law Student at UC Berkeley School of Law

2 WHAT DID YOU ENJOY MOST ABOUT YOUR TIME AT EFIP AND WHY?

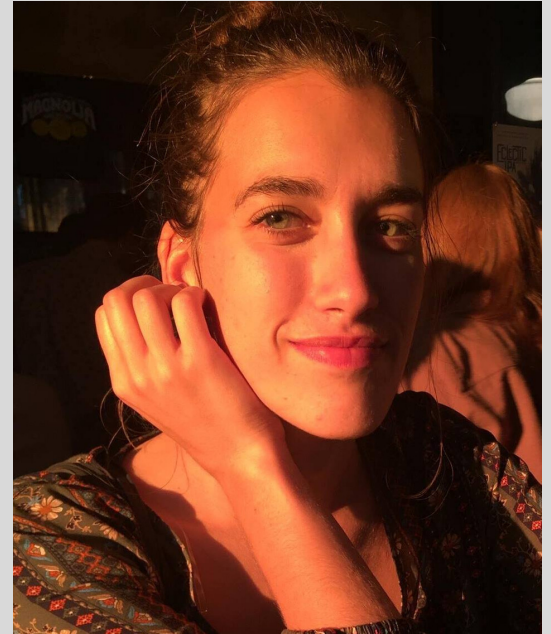

I really enjoyed small size of the community which allowed me to form strong bonds with other classmates

3 PLEASE DESCRIBE YOUR CURRENT STUDIES/WORK.

I am currently a law student working on a variety of things including working with students on discipline and special education procedures as well as trying to enter the music industry through the legal field (ie. representing artists in the Bay Area, negotiating contracts, etc.).

4 HOW DO YOU THINK EFIP PREPARED YOU FOR HIGH SCHOOL AND BEYOND?

EFIP gave me a really wide opening to a variety of cultures and backgrounds, which I unfortunately did not get as much of in high school. This allowed me, though, to be really curious throughout my high school years and beyond and try to learn as much as I can about the world and other cultures.

5 WHAT IS YOUR BEST MEMORY OF YOUR STUDENT LIFE AT EFIP?

Related to the above question, I think I remember an event we had where people brought food from their cultures. The food was amazing, and it was a great break from daily school life. I also loved working on musicals and annual shows.
